Introduction

Steady Creations Logistics is a South African company that has been established through the partnership of Steady Creations and Alternate Lifting. This partnership enables the company to provides efficient Logistical services.

With an innate understanding of our market, the capacity and competency to get the job done, we are perfectly placed to provide safe, smart and effective lifting and transport solutions

Through out the years we have been able to expand our foot print in South Africa, and the Southern Region.

Our mission is to grow our logistics portfolio through the following services:

- Transport
- Cross-boarder Transportation
- Heavy Lifting and Rigging

We envision ourselves as pioneers the Logistics values chain.
